Not a useful suggestion should not have been made 10-9-51

Attention is invited to the references cited in which the Government opined that there was no objection to appointing a senior clerk of the office drawing about Rs. 110/- to the post of Election Upper division clerk in this office. I submit that there is no senior clerk drawing about Rs.110/- in this office except the acting Huzur second clerk who is on a fixed pay of Rs. 110/- All other upper division clerks are drawing only about Rs. 80 to 95 per month. The Huzur Second clerk is a selection post on a fixed pay of Rs. 110/- and the clerk officiating in that post is a senior clerk. If this clerk is appointed in the upper division post sanctioned for election work according to the orders in the Govt.Memo cited it will not be advantageous to him since he is only an upper division post whereas the post in which he is acting is ~~selection grade~~ selection grade post. Moreover this clerk is dealing with important subjects like mining, suits and village officers and he cannot be shifted and drafted on the election work.

I invite attention to my report in C.No.8940/51 A7 dated 16-6-51 in which I have detailed the onerous and urgent nature of work the Election upper division clerk is expected to do. It was only with a view to give an incentive to the present election clerk to do his job more efficiently and willingly I applied to the Government to convert his post as ~~xx~~ selection grade post carrying a pay of Rs. 110/- p.m. In this connection I submit that the present clerk is fully qualified for a Deputy Tahsildar's post and he had also acted as Assistant Taluk Supply Officer on Rs. 110/- for a period of six months. On reversion from that post for want of a vacancy he was appointed as Election upper division clerk in my office as the previous clerk suddenly went away on leave. The present clerk has worked very hard and is now conversant with the several details of Election work. As the general elections approach, the work in the Collector's offices will increase largely and even a selection grade clerk may not be able to cope with it. The nature of work and arrangements that have to be made during the forthcoming electionshre quite different from those made in the previous elections. The ensuing elections are in the nature of gigantic experiment in organisation. The subordinate officers have to be instructed from time to time even on minute details and promptly too and the Govt. have to be addressed for timely instructions on several matters. I therefore consider that there is full justification for appointment of one Deputy Tahsildar to look after election work in the Collector's office. But with a view to economising the expenditure involved in this connection, I suggested only the up-grading of the election upper division post to a selection grade post on Rs. 110/-

A

In the circumstances, I request once again that the Government may be pleased to reconsider this matter and permit me to promote the present Election upper division clerk of my office to a selection post on Rs. 110/- as a temporary measure. The additional expenditure invodved I venture to submit, would not be much.

Collector.

Please see the letter from the Collector of Bellary in the c.f. He requests that the post of the Upper Division Clerk in his office doing elections work may be up-graded to a selection grade post on a pay of Rs. 110/-p.m., as a temporary measure. The reasons given by him for this request ~~the up-grading of the post~~ may be seen at 'A' on p.2 c.f.

2. In this connection, please see the letter from the Collector on pp.31-32 c.f. and the notes of this department on p 4 n.f. of (R). A similar request was also received from the Collector of Coimbatore for the up-grading of the post of the Elections Upper Division Clerk in his office. But he has not pressed his request after the receipt of the Memo. on pp 45-46 c.f. of (R). The Collector of Bellary alone requests that the orders issued in his Memo. ~~No. 3334/51-3 Public (Elections) dated 28-6-1951~~ may be reconsidered and that the post of the Upper Division Clerk employed for the elections work may be up-graded on a pay of Rs. 110/-.

3. It is now for orders whether the suggestion of the Collector of Bellary will be accepted and the Elections Upper Division Clerk's post in his office will be up-graded as requested by him. One of the reasons adduced by the Collector in favour of his request is that the work in his office will increase as the elections draw near. It is not known how the up-grading of the U.D. Clerk's post will be a remedy for such an increase of work. If the Bellary Collector's office is given

U.D. clerk in the selection grade other districts will also come up with such requests and it will be difficult to refuse them. For orders whether the request of the Collector of Bellary may be negatived.

The Collr's case does not seem to be convincing. It may be negatived.

A good U.D. clerk working under the section head in the Collr's office can manage this work. Say so & turn down the Collr's proposal.
